

## VMGA's Master Gardener Gear

VMGA sells Master Gardener Gear to benefit the State Master Gardener Coordinator Endowment. Ordering Master Gardener gear has been made easy – check out the MG Gear tab at [www.vmga.net](http://www.vmga.net)! Sweatshirts and t-shirts identify you as a Master Gardener while in the public, and license plate frames and window clings get our program into the public eye. Extra advertising always helps promote our services!

**Sweatshirts** come in crew neck and zip-up hoodies for \$20 and \$35 respectively. The VMGA logo appears on each. These are great for those chilly evenings or rainy days manning the Master Gardener information booth.

Master Gardener Logo Shirts

**T-shirts** are available for only \$15. The Virginia Master Gardener logo appears on left front as a small logo and large logo on the back of shirt. The t-shirts are Gildan Ultra Cotton, a finer cotton that feels softer. They are pre-shrunk and our experience is that they do not shrink even after repeated washings.

In addition to online ordering, **items are for sale at VMGA's bi-monthly meetings** and at Master Gardener College. Orders picked up at VMGA meetings will avoid postage – check with your unit rep to see if that can be arranged for you. Orders that must be mailed will have postage added to the final cost; most individual orders ship for a bit over \$6. The final cost will depend on your delivery method. All payments are made to VMGA, and profits benefit our State MG Coordinator Endowment.

VMGA is also offering vinyl **window clings and license plate frames**. The window clings are great for your car, easily removed and put back with no fuss. They are clear (the white backing is removed) with bold, green lettering and the VMGA logo - a nice gift for new MG graduates. They are \$3 each. License plate frames are white plastic with green lettering. The license plate frames are \$3 each.
